Hurrah for Stanta Chais, three cheers for the 100 little folks, su coas to your thristmas Fund and thection 2,170). The slien born minor children of long life to "The Frening World?" Here's my naturalized citizens need not have resided in the benefit to him, but if it is not, he would simply the curve of the considered citizens need not have resided in the benefit to him, but if it is not, he would simply be wasting time. A stammerer, in a word, is one to be considered citizens in all suits affecting their rights, and Mr. Jauzen's contention is that an allen without a statement of the considered citizens in all suits affecting their times. rights, and Mr. Janzen's contention is that an allen widow's naturalization the day before her just hinded alien son becomes twenty-one makes him a citizen without any residence in the country and gives him a right to vote in this State moment the defect to speak between such slow puff of a pipe or cigar. All that is necessary is time to breathe. The moment the defect content to breather the moment the defect content to breather. after one year's residence. Mr. Janzen has been moment the defect masters speech the stammeter moment. There is no statute law in regard to the involuntary naturalization of minors; it is all common law, judge made law. The involuntary naturalization is limited by this common law continued conscientiously, he can conscient to the despite. Courage is the word. If he follows the plan above cuttined conscientiously, he can conscient the time-direct for the defeat.

## Many Clerks; Few Customers.

To the Editor:
I happened to be in one of the large business was much impressed by a condition of things that seemed to me to be radically wrong. There was not a single visible customer, and the leg-weary cierks and cashloys were sitting on drawers behind of the New York girls, and to be cauded with their feet. If business drops off to such an extent, the managers must have their esatblishments open think that a man who works six days per week, other half come at 9 and leave at 6. If the busiand one who cannot support a "pair," handsome other half come at 9 and leave at 6. If the busi-ness and command recognition among the heavy and remaind the people Christman, what will it be a month afterlewels and command recognition among the before Christman, what will it be a month after'ex-lusives' would find very much favor with the conventional "college bred" girl of the Vassar feet an hour longer than their services are needed;
